Name _____ Daytime phone () _____
Evening phone () _____

A license will not be issued until a determination is made that the application is accurate and complete, including a notarized certification by the shooting sports facility operator that the facility meets commonly accepted shooting facility safety and design practices as set forth in King County Code 6.84.030. King County shall base its licensing determination on the review and concurrence of the King County Sheriff and Development and Environmental Services or their designees.

Applicant's signature

Date

Responsibility for complete and accurate preparation of applications, plans and specifications for compliance with applicable laws, and safe design, construction, use and operation of facilities regulated by King County under the King County Code, shall rest exclusively with the applicant. Regulation by King County is intended to protect the health, safety and welfare of the general public and is not intended to protect any particular class of individuals or organizations. Nothing in the inspection report shall be construed as placing responsibility for code compliance or enforcement upon King County or any officer, employee or agent of King County. Application review and inspections conducted are intended to foster and encourage compliance, but are not guarantees or assurances either that any design, construction, use or operation complies with applicable laws or that the facility is safely designed, constructed, used or operated.
